

Board Member Conference Attendance

School directors are elected before but take office after the Annual Conference of the Washington State School Directors' Association in November. It is to the School Districts advantage to have its directors and directors-elect attend the workshops and orientation programs at the Annual Conference and to exchange ideas with school directors from elsewhere in the state.

If a person is newly elected during elections to the Tonasket board of directors, they will be designated to attend the Annual Conference of the Washington State School Directors' Association as representatives of the Tonasket School District.

Directors attending the Conference will share information from the Conference with the board members at the next regularly scheduled board meeting.
