Tonasket School District Vision and 2017/18 Goals

Tonasket School District serves approximately 1,130 students. They are housed in one K-5 building, one 6-8 building, one 9-12 building, and one ALE building that serves students in our Choice High School and Outreach Homeschool Program. District-wide, 63.5% of our students qualify for free and reduced price meals. ELL, migrant, and students receiving services are integrated into regular classrooms and are provided additional help.

Tonasket School District's vision is that each of our students is an extraordinary individual who embraces life with hope, independence, accountability, resilience, and commitment to community and to the betterment of society. Each is a life-long learner who possesses the skills to think critically, act intelligently, work creatively, and confidently adapt to an ever-changing world.

In order to move us closer to fulfilling our vision, the Tonasket School District has set the following 2017/18 academic goals:

- Will achieve and sustain 95% on-time graduation rate.
- All grades will meet or exceed state averages on the SBAC for Math, ELA and Comprehensive Assessment of Science (CAS) by 2022.
- All cohorts that are already meeting the state averages on the SBAC will maintain or improve these scores.
