

Tonasket School District Deny Biometric Finger Scan Form

Only sign this form if you:

DENY FINGER SCAN

The Tonasket School District is implementing biometric finger scan software in each building to increase the efficiency and security of the food service serving lines transactions. Each student will be required to scan their finger into our database. The images of the finger scan are NOT stored in any database at any time. Instead, the biometric software stores the finger scan as a calculated number making the software extremely secure.

Please **do not scan** my child's finger for the biometric scan software in the cafeteria.
By signing this form, I understand that my child will be required to give their student lunch number when purchasing items from the cafeteria.

Please sign this form and return to your student's school office.

Name of Student (please print clearly): _____

Signature of the Legal Parent/Guardian of Student: _____
