Dear Senior and Senior Parent(s):

It's your senior year! How exciting to finally reach this point. Here at Tonasket HS Publications, it is up to us to capture your memories and experiences from your time at THS. Our goal is to create a book that captures your year in the highest quality manner possible. As with everything else, the situation in the world has presented new challenges in the process of making the annual. To help us create a book with the quality and creativeness we are striving for, we really need your help!

With school starting off virtually, and sports being pushed back, our deadlines have changed some, too!

When will yearbooks be handed/sent out? With the start of the year being virtual, and many of the events that typically happen being pushed back, the Publications course was decided upon to take place during the second semester. In order to produce the highest quality book possible, our finished product will not be here to hand out until August of 2021. While we know, students will not be able to have them for the last few days of school as in years previous, we also know this will give us a unique opportunity to fully include events such as Spring sports and even Graduation!

Senior Pictures - Due by **Tuesday, February 16, 2021**, you need to turn in one (1) print of your senior picture into the publications staff. We prefer this be in an electronic format to allow for better quality. You may turn in a hard copy of a picture, but to do so, please send in a sealed envelope with your name and phone number on the front. We can scan this picture to use for the yearbook. You may email your picture as an attachment in jpg or tiff format to jbradley@tonasket.wednet.edu

** There are some options out there for seniors who cannot financially afford senior pictures! Please contact me if you have any questions**

Baby Pictures - If you are interested in having your child's baby pictures in the annual, please turn in one picture with your child's name printed on the back by **February 16**. You may also e-mail a baby photo as described above in the senior pictures section, as the preferred format. Any hard copies turned in will be returned to the student by the end of the year.

NEW THIS YEAR! Tonasket HS Publications will be selling **Senior Message Ads** - Parents who wish to send a lasting personal reminder to their child should contact the THS Publications Staff as soon as possible. The deadline is **Monday, February 22nd**. Ad prices will be \$50. This includes a ¼ page ad, as well as the design and layout of the ad in the yearbook! You may choose to send a note, poem, letter and or pictures as a lasting memory for your senior!

The yearbook plans on having a section looking back on the years that our seniors have spent here! Please help us with this section. Do you have old photo albums or photos of you and your classmates throughout the past 12 years? These can be sports, 6th grade camp, school programs, dances, or even just fun pictures of you all hanging out! Pictures can be anytime from kindergarten to high school, and are a way to forever remember some of your best memories! **We need these by Tuesday, February 16th!**

In addition to this letter, you should be receiving a **Senior Survey!** Please have this survey filled out, with the student name at the top of the survey by Tuesday, February 16th.

PLEASE label all of your pictures to ensure we are able to safely return them! If you email pictures, they must be in the correct format (JPEG or TIFF). I will respond to every email we receive, so if you don't receive a response, then I did not receive your email.

Sincerely,

Jordan D. Bradley DVM

Yearbook Adviser
