Policy 2410 High School Graduation Requirements

Policy 2441 Valedictorian/Salutatorian

Kevin Young discussed the current policy and some history of how the policy came about in the past. There was a committee formed about six years ago to create Policy 2441. A discussion was held about the district's use of a weighted GPA and what other districts do instead of utilizing a weighted GPA. They also discussed the validity of not allowing running start students to participate in the Valedictorian/Salutatorian selection and possibly gathering another committee to review the current policy.

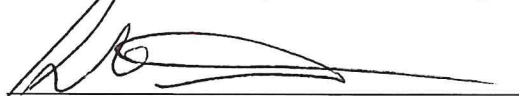

Policy 3242 Closed Campus

Kevin Young spoke about the current closed campus policy and suggested adding another sentence to help clarify the current policy.
